第五节 大意总结(共 1 题,10 分)

Wang Ping and his passengers did a meaningful thing yesterday.

Wang Ping saw an old man who had a heart problem lying on the road while he was driving. He stopped the bus and planned to take the man to the hospital. All the passengers supported him and they sent the man to the hospital together, then the man was saved.

The writer wants to tell us that we should try our best to help others when they're in trouble.

第六节 书面表达(共 1 题,满分 15 分)

One possible version:

My Life 20 Years from Now

My life in 20 years will sure be busy and wonderful. As for my job, I will be a doctor. It's my dream job. I can save lots of people's lives. I will have more free time to take part in activities such as dancing, singing, playing balls and so on. Besides, Life in 20 years will sure be wonderful. With the technology development, robots will play an important role in twenty years. Every family will have one or more of them. So will I. My children will learn from the Internet, which would save all the paper needed to print textbooks.

In a word, I will always try my best to make it possible to have a better life!
